## ABOUT US

At Edred, our goal is to redefine education, one student at a time. We have the opportunity to revolutionize the industry and empower professionals to upskill and reach new heights in their careers. Our mission is to provide holistic transformation through cutting-edge technology and expertise. We are sure, that we have all the strategies designed exclusively for you to meet your career goals.

## WHAT IS JGLP

The **Job Integrated Learning Program** offers a guaranteed job while providing you with an upskilling opportunity for **Human Resources Freshers**. You will upskill with 3 live projects and 8 Capstone projects among different industries with completion certificates along with 1 Global Apprenticeship Certification. Our premium program also includes Global Certification from the **(EIMT) European Institute of Management and Technology**. The program ensures career advancement and empowers you to thrive in your chosen fields.

## HUMAN RESOURCES EXECUTIVE

HR is vital in ensuring employee engagement and motivation throughout the program. By gathering insights from participants, HR can fine-tune the learning content, delivery methods, and overall program structure to enhance its impact continually.
